

# A day trip to the museum

**This is an example day trip timetable for a school visit to the museum.**

Each group timetable is based on groups of up to 35 students. Where a school is visiting with more than one group, all groups will take part in the same activities and workshops, but in a different order, as shown in Group 2 and Group 3 below.

A final timetable will be provided on the day of your visit, clearly showing your allocated group numbers for the day of your visit.

**We ask that all groups follow their dedicated group timetable allocated on the day of your visit.** At certain times, we may have multiple school groups visiting the museum, and following your allocated timetable helps ensure that all workshops and 'Explore with Us' sessions run smoothly and on time.

This timetable avoids crossovers and repeat visits to the same exhibitions, ensuring the best possible experience for all visiting groups.

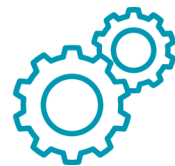

# Group 1 Timetable...

We have created a timetable to ensure that you do not clash with other groups and do not miss anything.

**Please keep to this timetable.**

**10:00am** Arrive at museum

**10:15am** **Workshop**  
Head to our *Inspiration Station*

**11:00am** **Explore the museum.**  
Head to the Ground Floor and explore our *Police Cells, Police Gallery, Blood, Bandages and Blue Lights exhibition and Outdoor Zone.*

**11:45am** **Lunch Time!**
